**AMENDMENT** 

**Technology Center 2600** 

Dear Sir:

Responsive to the Official Action mailed on August 28, 2000, setting a response period expiring on November 28, 2000, and for which a two-month extension is hereby requested, applicant responds to the Official Action as follows:

## In the Claims:

Please add the following new claims:

--29.(New) An integrated comprising:

an input/output pin;

a memory array; and

a sound processing circuit including:

a write circuit coupled to the memory array and to the input/output pin, wherein the write circuit performs an input operation that includes writing to the memory array a series of values representing an audio signal received from the input/output pin; and

a read circuit coupled to the memory array and to the input/output pin, wherein the read circuit performs an output operation that includes reading from the memory array and supplying to the input/output pin a series of values representing said audio signal.
